COLOUR CORRECTION

This is a service that we offer to correct a colour process that's gone wrong or if you require a complete colour change.

Prices and processing guidelines will be given on a face to face consultation only.

WELLAPLEX

This strengthening and repair product has revolutionised our care for colour treated hair.

It is designed to RECONNECT the bonds of the hair that have broken by the process of brushing and styling, colouring, heat treatments, perms and harsh environmental conditions.

As a stand alone repair treatment, please add on £25 .00 to either a cut & or blow dry service.

To incorporate Wellaplex into your technical service, please add £25.00 onto your chosen service.

FASHION & COUTURE COLOUR TECHNIQUES

Our specialist team can create unique fashion looks, using advanced techniques to suit your style. We have the latest, must have couture products that will give you perfect "Catwalk" Hair.

Prices from £85.00
